1. Purpose

This policy describes how performance is evaluated at Sogno Entreprise and how promotion decisions are made.

2. Performance Review Cycle

Formal reviews occur twice yearly, in June and December. Each cycle includes a self-assessment, manager assessment, and peer feedback from at least 2 colleagues.

3. Evaluation Criteria

Employees are evaluated against four dimensions: delivery of quarterly objectives, quality of work, collaboration, and growth against role expectations. Each dimension is rated on a 4-point scale (Below Expectations, Meets Some, Meets, Exceeds).

4. Feedback

Managers are expected to give continuous feedback throughout the cycle, not only at formal review time. Formal review conversations must be scheduled for at least 45 minutes.

5. Promotion Requirements

Promotion requires: two consecutive review cycles at “Meets” or above, demonstrated performance at the next level for at least one full cycle, and department-head sign-off. Promotions are processed twice yearly, aligned with the June and December review cycles.

6. Career Development

Every employee has an individual development plan reviewed at each performance cycle, co-owned with their manager and supported by the Learning Budget described in the Employee Benefits Guide (SGN-HR-04).

7. Performance Improvement Plans

Employees rated “Below Expectations” enter a formal Performance Improvement Plan (PIP) lasting 6–8 weeks with specific, measurable goals. Outcomes are: return to good standing, extension (once, in exceptional cases), or termination.
