1. Purpose

This document describes standards for behavior and use of shared spaces across Sogno Entreprise offices.

2. Office Access

Badge access is provisioned by IT on the employee's start date. Lost badges must be reported to Operations immediately; a replacement fee of 1,000 DZD applies after the first free replacement.

3. Workplace Behavior

Employees are expected to maintain a professional, quiet-enough environment in open work areas; calls and meetings should default to a meeting room rather than the open floor.

4. Meeting Rooms

Meeting rooms are booked through the shared calendar system. Rooms booked but unused for more than 10 minutes are automatically released for other employees.

5. Shared Spaces

Kitchens and lounge areas are shared resources; employees are expected to clean up after themselves. Personal food in shared refrigerators should be labeled with name and date.

6. Visitors

All visitors must be registered in advance via the front-desk system and escorted by their host at all times while in the office, per the IT Security Policy (SGN-IT-01) visitor-access rules.

7. Equipment

Office equipment (printers, monitors, conferencing gear) should be reported to Operations immediately if malfunctioning, via the #office-support Slack channel.

8. Office Security

Exterior doors must never be propped open. Employees are expected to challenge or report unbadged individuals in restricted areas.
